#### OUR MISSION

Our mission is to bring Joy To The Nations through the Gospel of Jesus Christ.

#### OUR VISION

To bring souls into the Kingdom of God

To demonstrate to the nations, through the Love of God, that they are not forgotten, that they are not abandoned, but that are called to be children of God and loved by the Body of Jesus Christ

To raise up new generations with extraordinary faith to believe that God can change nations through them

To raise up fathers and mothers of faith, building the Kingdom through discipleship, thereby making them "fishers of men"

## HOPE FOR THE FATHERLESS

It is our great joy to be a part of ministering to the needs of the orphan and fatherless. James 1:27 says "Pure religion and undefiled before God and the Father is this, to **visit the fatherless** and widows in their affliction...."

Your donations to this project help children like Karen (story on left) and others that have been abused, abandoned, neglected and orphaned to learn that they have been adopted by Father God and that He cares for them.

Through this ministry, you are reaching out with hugs and the love of Jesus Christ as well as meeting practical needs (diapers, milk, formula, etc.) of the orphans in the public & the private sector of orphanages throughout Honduras.

To minister to the orphans, send your check to the address on the back-side of this brochure. Write in the memo section:

**"JTTN: HOPE"**

## COMMUNITY HEALTH EVANGELISM AND OUTREACH

One of the best ways to reach people for Jesus is to first minister to their immediate physical needs. Through Community Health Evangelism (CHE), we are able to go into village communities along-side of local pastors & bring transformation to body and spirit. Through clean water projects, teaching basic hygiene to prevent illness, first-aid courses, English classes, and other community projects, we are able to build relationships that open the doors for more opportunities to share the Word of God.

Outreaches (or crusades) are another way we reach into a community. Though Children's

Crusades, we are able to draw hundreds of kids and their families to hear the Word of God.

Your donations into this project help us provide community services and outreaches to open the door to sharing the Gospel of Jesus Christ while helping to bring health and wholeness to their lives.

To be a part of Community Health Evangelism and Outreach, send your check to the address on the back-side of this brochure. Write in the memo section:

## MISSIONARY SUPPORT

Remember that no missionary project can exist without a missionary. If you would like to support Jen as missionary in Honduras, please send your check to the address on the back-side of this brochure, write in the memo section:

**Top:** Karen was abandoned by her mother & left to be cared for by an abusive grandmother. Found skinny, malnourished & abused, a pastor helped to relocate her to a private, local, Christian home for children. She is now happy & doing very well. Our ministry is helping her learn how much Jesus really cares about her. Our goal at JTTN is to see this home complete their funding goal so that they may house 60 children
